

September Update

OHA Labor Working Group

At the conference, we are organizing a Friday morning informational picket in solidarity with hotel workers that will take place outside of the Renaissance from 7 am to 8:30 am. (The Program Committee kindly moved up the first sessions of that morning 30 minutes to facilitate participation.) In addition, we are urging annual meeting participants to wear solidarity t-shirts and bumper stickers during the duration of the conference. (T-shirts and bumpers tickers will be available for sale at the annual meeting.)

We will also be convening a special OHA Labor Forum Saturday morning between 8:30 and 11:45 at the International Association of Machinists union hall at 319 W. Broadway (just three blocks from the conference hotel) that will include the latest information about the labor situation at the Renaissance.

For information on how to get involved, please contact Labor Working Group chair, Paul Ortiz, ortizprof@gmail.com.
