This includes having live transcription for all of the panels, live ASL interpretation for the plenaries, and ASL interpretation available on demand for parallel sessions. Presenters can upload any presentation materials for their session in Pheedloop. If comfortable, please indicate below how the OHA can make the conference more accessible and inclusive for you. Or please feel free to either email us at oha@oralhistory.org or call us at 615-898-2544 to discuss your needs (while we are not in the office, please leave a message and we will return your call).

Notice:

The OHA is recording the sessions for the 2021 OHA Virtual Meeting. By participating in a session with either audio or video, you are agreeing to be recorded.

By registering for the conference, attendees agree to allow OHA to use the provided information to contact them regarding the event, and to provide the information to workshop leaders and event organizers (if applicable), as well as the virtual conference platform for purposes of ensuring access.
